THE WATERMILL CENTER | FACILITIES MANAGEMENT SUMMER INTERNSHIP

The Watermill Center seeks two (2) qualified interns to work alongside the Facilities Team and assist with all aspects of the management and maintenance of an arts organization's buildings and grounds. The internship will take place before, during, and after the International Summer Program (a month-long artist intensive) and Annual Summer Benefit. In addition to general engagement with the Watermill Facilities, interns will engage with the day-to-day needs of a globally recognized arts program, including liaising with artists and production staff, supporting the demands of a hybrid live/work campus in peak season, assisting with the horticultural needs of the manicured gardens and grounds, and working with the full staff to prepare for a large-scale performance event. The full-time position reports to the Facilities Director.

ABOUT THE WATERMILL CENTER

Founded in 1992 by avant-garde visionary and theater director Robert Wilson, The Watermill Center is an interdisciplinary laboratory for the arts and humanities situated on ten acres of Shinnecock ancestral territory on Long Island's East End. With an emphasis on creativity and collaboration, Watermill integrates contemporary artistic practice with resources from the humanities and research from the sciences to provide a global community with the time, space, and freedom to create and inspire.
